THE CITY SCHOOLS

Assignment of Teachers to the Various Buildings.

SCHOOL PROPERTY IS FIXED

Warrants Ordered For Judges of School Election—Superintendents Office to Be Furnished—A Buy and Business, Session Held.

The board of directors of the school district No. 1 (City of Astoria) met in regular session last evening at 7:30 o'clock at the office of School Clerk E. Z. Ferguson, No. 179 Eleventh street. The entire board was present to wit: Chairman, F. J. Taylor, and Directors J. E. Higgins, J. A. Aiken, Gust. Holmes and J. W. Welch; Superintendent of Schools A. L. Clark was in attendance and Clerk Ferguson kept the record. The meeting was called to order and the following matters were disposed in the sequence following:

A telegram from Miss Ethel Blinn was read waiving the privilege of leave and asking that her place be retained on the roster of teachers for the ensuing term. A similar dispatch from Mr. J. W. McCormac was placed before the board, as well as a letter from Miss Mary Shields announcing her acceptance of a school elsewhere, and lastly an announcement from Mr. J. W. Kester informing the board of the recent death of his brother and the threatened illness of his mother, and requesting leave of absence until November 20th, next. In the latter case the board made an order granting his leave.

Miss Caroline Forrester, an applicant for appointment in the school service, was elected by the board and the clerk was directed to wire her and ask her for an immediate answer as to whether she would accept the grade and place at \$55.00 per month, and in the event she declined then the superintendent was directed to fill the vacancy and report to the board.

The board ordered that the assignments of teachers to the grades and rooms of the public schools for the ensuing term be left to the superintendent, and when made, that he report to the board his action in the premises, for ratification.

It was also ordered that the filling of the vacancy caused by the two months leave of absence granted to Mr. Kester, be left to Superintendent Clark.

It was ordered that a six-foot rough board fence be constructed forthwith, on the division line between the school sit of the Shively school and the residence of Mr. Robb at a cost not to exceed \$30 such cost to be equally divided between the school board and Mr. Robb.

It was ordered by the board that its committee on supplies attend to the requisite furnishings of the school superintendent's office in the city hall, including desk, chairs, chandelier, etc., etc. Clerk Ferguson then reported that warrants in the sum of \$15.50 each had been issued in favor of the following citizens for services rendered as judges of school election, N. P. Johnson, D. Math school board and Mr. Robb. Scherneck, Ben Hansen, Ed. Lewellyn, A. R. Cyrus and J. Finlayson. These were duly approved by the board and the chairman directed to sign the same.

It was ordered by the board that the committee heretofore appointed in this behalf, Directors F. J. Taylor and J. A. Aiken, take up the pending matter of the cleaning of Block No. 60 Shively's Astoria (the unimproved school site) and arrange with him for a discontinuance of the removal of rock therefrom. The board then formally adjourned.

The City School Superintendent A. L. Clark has made the following assignments of teachers in the public schools, grades and rooms, for the term beginning September 18, 1905.

DOING THEIR DUTY.

Scores of Astoria Readers Are Learning the Duty of the Kidneys.

To filter the blood is the kidney's duty. When they fail to do this, the kidneys are sick.

Backache and many kidney ills follow: Urinary trouble, diabetes.

Doan's Kidney Pills cure them all. J. Blake, whose place of residence is 525 Market street, Portland, says: "I bought several boxes of Doan's Kidney Pills and I scarcely think if I had not proved satisfactory that I would have tried the second and third. I have used almost everything said to be a cure for weakened kidneys and bladder, but nothing ever gave me the satisfaction I received from Doan's Kidney Pills. They are easy to take, have no effect upon the stomach or bowels and act directly on the kidneys. I thoroughly believe from the results I received and also from observation that Doan's Kidney Pills are one preparation on the market which acts directly as represented."

Emphatic endorsement can be had right here in Astoria. Drop into Chas. Rogers' drug store and ask what customers report.
